

**YES! I would like to empower girls and young women.**

Juno House Foundation Ltd. is committed to empowering girls and young women by providing counselling-fee supplementation, and helping to increase counselling capacity in Calgary and surrounding area. Juno House is a centre of excellence that addresses the greatly underserved therapeutic needs of adolescent girls, young women and their families in the Calgary community. Our mission is to help girls speak in exclamations, so that they can go on to be productive leaders in our communities.

**Funds support:**

- Subsidized counselling fees for individuals and families who cannot afford to pay the full counselling fee.
- Training of counselors and therapists to specialize in the unique challenges faced by girls and young women.
- Placement and training of university practicum students who have an interest in working with girls and young women.
- Hosting of training workshops and seminars for professionals.
- Sponsorships of public events to increase awareness of the issues facing adolescent girls and young women.

In addition, Juno House Foundation has set up a unique Mandate Agreement with the United Way of Calgary and Area. This unique agreement allows donors to direct their charitable donations through United Way of Calgary to the Juno House Foundation, and receive a charitable receipt for their donations to United Way/Juno House Foundation. The Juno House Foundation uses these directed charitable donations to provide sliding-scale, fee-for-service counselling services for adolescent girls and young women, and their family members.

*Juno was the Roman Goddess of the soul. It was believed that we must all have a balance in our “Juno” and our “intellect/reasoning.” We live in a world that places a strong emphasis on our intellect & reasoning, and less support to the development of our soul – or in today’s brain science language: our emotional self. The goddess Juno supports the very emotional therapy work, which these young women and their loved ones undertake.*

If you would like to receive a charitable tax receipt, please make out your cheque to United Way of Calgary – Juno House Foundation.

Check here to allow United Way to release your donation information to Juno House so we can keep you updated on our activities.

Your contribution is appreciated and will assist the ongoing efforts of Juno House to provide professional counselling services to adolescent girls, young women and their families, so that they can learn to speak in exclamations.

**Thank you for your support!**
